NEW £70M HOSPITAL COULD BE ON EDGE OF TOWN

A NEW £70million critical treatment hospital could be built on the south-west edge of Basingstoke.

Plans for the 24/7 state-of-the-art emergency trauma clinic were revealed in 2013, however a location had not been set.

But a site in Dummer has been chosen, councillors told

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

the Observer yesterday.

The location is expected to be confirmed at a meeting tomorrow, November 6, between Basingstoke borough councillors

and North Hampshire Hospitals NHS Foundation Trust.

Councillor Rob Golding, of Oakley and North Waltham, said: "We are not expecting to hear anything until Thursday, but I am 99 per cent sure that it will be in the parish of Dummer, on the other side of the M3."

Pumpkins get their Halloween makeover

FAMILIES in Basingstoke were served a treat as Halloween and bonfire celebrations took over the town last week.

A pumpkin carving workshop entertained children before Basingstoke's Big

Site for new hospital hub with 24/7 emergency care

• Computer generated designs for the cancer centre to be based at the same site

• **From front**
He added: "My thoughts on a purpose built specific hospital are that it will be a great advantage to Hampshire."

"It will be good for Basingstoke as you can get to it quicker, but it will only be good if we have the necessary infrastructure in place."

The new treatment hospital would deal with the sickest patients - those who have suffered heart attacks, strokes or major trauma.

It is thought the hospital would treat about 75,000 patients a year,

about 15 per cent of the sickest patients treated in Hampshire.

It could also be built next to a new £13million cancer centre planned for Basingstoke to serve North Hampshire.

The Observer reported in August the same location in Dummer was the first choice for the Ark Cancer Centre.

Former manager of the Ark Cancer Centre Charity, Vickie Randall, confirmed the plan.

The current site of Basingstoke and North Hampshire Hospital in Aldermaston Road was also considered as an option.

Councillor Martin Biermann, of Chineham, said: "It was looking very much like it was going to come to Dummer."

"Whilst I initially had reservations about North Hampshire Hospital being chosen as the site, I can understand the logistical reasons for Dummer."

But Cllr Golding added: "Traffic could be an issue. What is going to be done about Junction 7?"

"A lot of traffic comes out of Basingstoke to Dummer and a lot of traffic may well come out of the new facility, heading down to Winchester, which could be a

problem.

"But I think the unit is overall much needed and it makes more sense to have it nearer to the borough than further away."

A report by the hospital trust published last year said it could have 200 to 250 beds and open between 2016 to 2018.

North Hampshire Hospitals NHS Foundation Trust declined to comment.

Models step onto catwalk

A STYLE wave hit Festival Place as models hit the catwalk in Basingstoke last week.

On Saturday and Sunday shops showcased autumn and winter trends at a Big Brands Fashion Weekend.

Top trends included monochrome, folk and western, glitter and pastels, and inspirational accessories.

SuperDry, Pandora, French Connection and Gap were among the brands.

Goody-bags and prizes were also given away.

Marking Remembrance Day

THE Mayor of Basingstoke's annual remembrance service will take place from 11am this Sunday at the town's War Memorial.

A parade of local ex-service personnel, serving personnel, Cadets, Scouts and Guides will make its way from New Road to the London Road memorial before a bugler from the Salvation Army marks the two minutes silence.

A Chinook from RAF Odiham will also fly past.

Meanwhile in Alton two days

of remembrance will be held.

The Holybourne Memorial service will take place in London Road, Holybourne, from 10.40am to 11.30am on Saturday, November 8.

And a remembrance ceremony on Sunday, November 9, will start with a march from the Market Square at 10.30am.

There will be a march from Market Square to the War Memorial outside the assembly room in High Street.

The Royal British Legion are organising the event.

Families get in spooky spirit at Festival Place

HALLOWEEN hit Basingstoke big-style last week.

Ahead of trick or treating and fancy dress extravaganzas children carved out their Halloween pumpkins in Festival Place.

As part of the spine-chilling celebrations, Basingstoke family-run business, Carving Magic, ran a workshop raising money for the charity Multiple Sclerosis Society.

Over 100 people had a go at sculpting the veg last Thursday, October 30.

Supermarket chain Tesco in Chineham donated 170 pumpkins, which were chopped, picked and sliced by anyone who wanted to celebrate the frightening festivities.

Among the takers was seven-year-old Bei Bei, from Winchester Road.

She said: "I really like this. It is so much fun."

Dad Wayne Johnson, of Popley, watched as five-year-old daughter Honey tried her hand at carving.

He said: "The kids really enjoyed it."

"When the other half goes off shopping it is great - it is better than having the kids complain

about going home."

Carving Magic, based in Abbey Road, creates fruit and veg displays for special occasions and run workshops in schools.

Sue Walsh, of Carving Magic, said: "It was absolutely manic - non-stop all day."

"A lot of them had never done it before. It is all about having fun though."

"A lot of people were getting involved and taking them home for their Halloween party."

Carving Magic's Mark Dobson, one of the main carvers, said: "It's good to see the kids come and have a go."

"Their faces just light up."

"The kids love it, so do the parents and it can be easy - pumpkins really are idiot proof."

Oli Serra, 36, of Church Crookham, helped her two children, Margot, 10 and Theo, 5, take on the task.

She said: "It is really lovely for the kids when you are out shopping."

"What a great idea."

• Families stopped by to have a go at the workshop in Festival Place

Fireworks light up Basingstoke's night skies

• The skies over War Memorial Park lit up on Saturday (pictures by Ben Richardson)

BASINGSTOKE'S fireworks display was a sparkling success on Saturday night.

About 4,689 people flocked to War Memorial Park to celebrate Guy Fawkes night on November 1.

The event, usually held on November 5, was changed to a weekend to suit families and this year also saw the return of a bonfire to the festi-

ties after more than 10 years.

A fun fair was also running at the newly styled event, named Basingstoke's Big Bang.

Residents took to social media to praise the event and upload photos of the event.

Twitter user, Jonathon Brown, tweeted: "Loving the fireworks at Basingstoke Big Bang!"

Facebook user Jennifer Siergrist showed love for the town by commenting: "Nice fireworks and bonfire. Well done Basingstoke."

And the Mayor of Basingstoke Roger Gardiner said: "It was a wonderful evening, the fireworks were fantastic, it was good to see the bonfire back, and lovely to see so many wide eyes and happy faces."

Chopper hunts for would-be masked Post Office robber

A MASKED man threatened a woman in an attempted Post Office burglary in Tadley on Friday.

The Mulford's Hill branch was targeted at 9.41am by a man in a balaclava, hoody and dark grey clothes.

He threatened a female member of staff before fleeing the scene.

Hampshire Constabulary confirmed the employee was not hurt and nothing was taken.

The Post Office was cordoned off after the incident and a police helicopter was used to try and track the would-be robber.

Officers are also investigating whether a black saloon car fire in Wildwood Drive was related to the incident.

Police are urging anyone who saw a black saloon car being driven erratically to call 101 and quote 44140392074.

£39million needed for Manydown facilities

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

A REPORT has revealed £39million would be needed for schools and facilities as part of a 3,400-home Manydown housing development.

Housing consultancy Three Dragons calculated the cash as part of a viability report for Basingstoke and Deane Borough Council, who own the site.

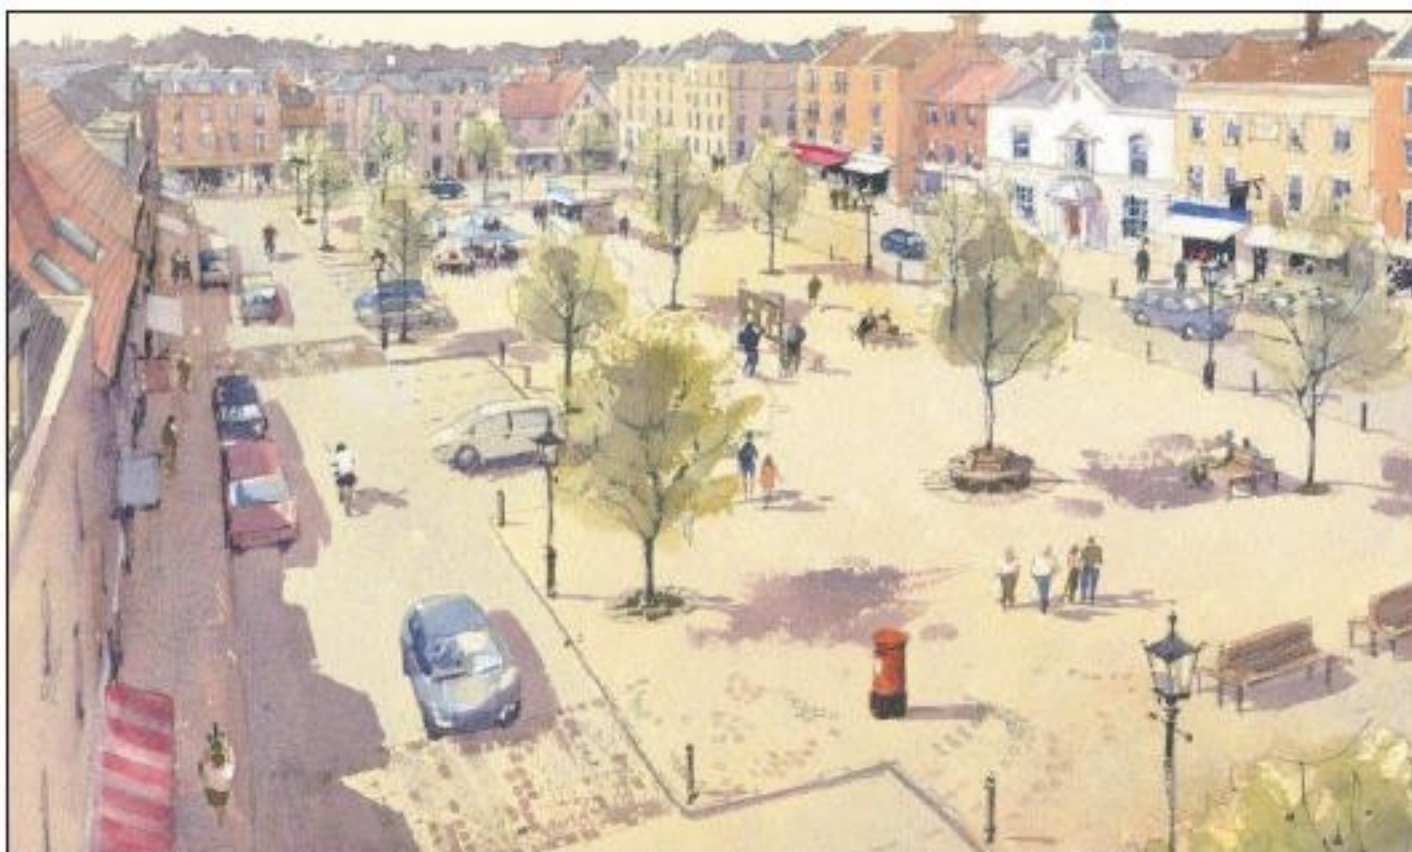

Two primary schools would cost £17m, a spine road £10.4m, open space £6.1m, sports facilities £2.1m, buses £2.2m, and allotments £600,000.

But it also warned the council's 40 per cent housing policy could not be met on the Manydown site.

The report was published for a full council meeting on October 23 which approved new charges on developers to go towards infrastructure, called the Community Infrastructure Levy (CIL).

The report states costs to deliver the 1,360 affordable homes do not balance financially with planning costs needed for facilities.

It says: "On the basis of the analysis undertaken, Manydown is not a viable development at 40 per cent affordable housing and with the full package of planning obligations."

• An artist's impression of what the Manydown development could look like

Councillor David Potter was one of 25 refused to approve the CIL because of what it could mean to affordable housing on Manydown.

He said at the meeting: "I shall be voting against this recommendation."

"What I highlight in particular is the analysis of Manydown not being viable for 40 per cent housing."

"I think this council has to commit itself as one of the public landowners - in simple language, if we can't get 40 per cent

housing at Manydown, where can we get it?"

Manydown Overview committee member, Councillor Sean Keating, added: "If Manydown cannot achieve to provide 40 per cent affordable housing, we are failing in our responsibility to the people in this borough."

But the motion was passed meaning the CIL charges could start in spring 2015.

Councillor Onnalee Cubitt asked cabinet member for planning and infrastructure, Mark Ruffell, to commit to 40 per cent

affordable housing regardless.

Cllr Ruffell replied: "It is not viable at the moment, but the fact is the policy will remain the same throughout, viability will increase as land prices and housing prices increase and consequently, I'm sure the viability will return."

"I'm afraid I can't give the commitment to 40 per cent regardless of viability because it simply won't be built if we do that."

The motion was approved, passed by 32 councillors to 23, with two abstentions.

HOOK: Hook Allotment Association raised £1,000 to go towards buying the 5.38 acres it has pledged to buy for more allotments.

A fundraising meal and raffle was held at the Gate of India restaurant in Hook Common to raise the money on October 20.

Cancer aware

BASINGSTOKE: Basingstoke MP Maria Miller made a pledge last month to raise awareness of oesophageal cancer.

While attending an event organised by Oesophageal Cancer Westminster Campaign (OCWC) at the Palace of Westminster Mrs Miller said not enough has been done to raise public awareness of the illness.

She said: "Awareness among the public about the causes of oesophageal cancer is very low."

"I was keen to show my support for efforts to tackle this cancer and save lives. I want to see a strong public awareness campaign for oesophageal cancer."

HOOK: The next Hook Parish Council meeting will take place today, Wednesday, November 5.

Bramley Station footbridge cash set despite concerns

ALMOST half a million pounds has been set aside to build a footbridge at Bramley Station.

Basingstoke and Deane Borough Council's cabinet ring-fenced £450,000 towards the £1million project, despite objections that the plans were not good enough.

The motion was passed at the meeting last week, October 28, despite complaints from parish councillors that the scheme should also be wheelchair and pushchair friendly.

In a 2012 survey of 595 responses, 448 said yes to the footbridge plans.

Bramley Parish Council chairman, Tony Durrant, said: "To be honest, if I was asked whether or not I wanted a Bentley, I'd say 'yes' but if I was asked if I wanted a rusty, three wheel, pink Bentley, I'd say 'no' and I think that question has led people down that path.

"We understand that this footbridge is going to be for the able-bodied only, no facilities for mothers with pushchairs, kids, dismounted cyclists or disabled people and we feel that is not really acceptable for our community."

Residents currently have to cross the track to reach the other platform.

The signal-operated barriers close when trains are approaching, but Network Rail have agreed to contributing the

remaining £550,000.

The meeting assessed Local Infrastructure Fund (LIF) applications for Bramley.

Councillor Ranil Jayawardena, of Bramley and Sherfield, submitted the application for the funding for the footbridge.

Cabinet member Mark Ruffell said: "I think this may well be the first major opportunity to provide a footbridge for Bramley and it might well be the only opportunity that comes around for the next dozen years."

But ward councillor, Chris Tomblin, said: "I am personally unhappy with the proposal.

"I was told the LIF system was something that came out of community needs.

"We need to consider what is best for Bramley residents.

"We don't want to commit this money forever then suffer the consequences."

Basingstoke council leader Clive Sanders said: "I am concerned that if we don't make a decision nothing will happen and the residents could be without a footbridge.

"I think we need to move forward by ring fencing the money for a year to see what can be done in terms of design of a footbridge which is what network rail said they will undertake."

Budding gardeners' work blossoms

THE 2014 Basingstoke in Bloom prize-giving ceremony recognised the town's best green-fingered gardeners.

On Thursday, October 30, Mayor of Basingstoke Roger Gardiner handed certificates, rosettes and gardening vouchers to competition winners at the council's offices.

Children from St Mary's Junior School in Old Basing won the schools category by managing to score 99 points out of 100.

Cathy Williams, Basingstoke in Bloom secretary, said: "St Marys did particularly well.

"They scored highly, not just on their gardening work, but with their knowledge of the plants

they were growing.

"Although the weather wasn't great this year we were pleased as the quality was very good in all the entries."

Four Lanes Infant School in Hanmore Road, Chineham, scooped second prize and

Winklebury Junior School in Willoughby Way claimed third.

The annual competition was taken on by volunteers in 2012 after the contest was axed by the council in 2011.

This year, there were 58 entries in seven different categories.

Unsafe driving

HAMPSHIRE: Officers from Hampshire Constabulary took part in a week long operation with Thames Valley Police to crack down on those who use their mobile phones while driving.

The operation ran from October 20 to October 26.

During the operation, 178 drivers were caught by Hampshire officers using a mobile phone while driving – including 47 in North Hampshire.

A total of 5,280 drivers were caught between April 2013 and March 2014 using their mobile phones in the county.

New chief exec

BASINGSTOKE AND DEANE: Basingstoke and Deane Borough Council is looking for a new chief executive.

Current chief executive Tony Curtis, who has held the role for 40 years, announced he was stepping down in July and will formally retire at the end of this month.

The application deadline for the role closed last week, October 27.

An ideal candidate should be recommended to the full council on December 11.

Bus route back

BASINGSTOKE: The bus service 6 will run normally next week after being diverted for the past four weeks.

Due to road works the part closure of Roman Road, from October 8, meant a diversion was in place.

Roman Road will be open again next week and the bus will continue its usual route, serving Wellington Terrace.

Council tax freeze for Basingstoke residents

COUNCIL tax is due to stay the same in Basingstoke and Deane for a fifth year running.

Basingstoke and Deane Borough Council's cabinet agreed the plans during a meeting last Tuesday, October 28, as part of its budget proposals for 2015/16.

It means the cost of the council's services - of 29p per day - is to stay fixed for households in the borough from April 2015, as long as the plans are agreed at a full council meeting in February.

However the cabinet agreed a two per cent rise in fees and charges, such as car parking costs.

However, the current free 30-minute parking in Top of Town is to stay the same.

Cabinet Member for Property, Finance and Commissioning, John Izett, said: "Over the last five years the council has found over £7.6million in savings without affecting frontline services to keep council tax bills down despite reducing government funding and rising costs."

During the meeting £4.5m was earmarked to try and tackle homelessness across Basingstoke and Deane.

The cash will be added to £600,000 from housing associa-

tion Sentinel to buy 17 houses to support vulnerable homeless residents in Basingstoke.

Another £3.4m has been earmarked for the capital programme up to 2019 which would be put into projects including infrastructure and replacing old CCTV cameras.

While £960,000 has been set aside for the delivery of priorities in the council plan such as keeping community safety patrol officers on the streets, and welfare support for people struggling financially.

The council has also saved over £500,000 in savings for the financial year from April 2015.

Cllr Izett said: "The budget focuses on what residents have said are their top priorities - regular rubbish and recycling collections, keeping streets clean and litter-free and dealing with antisocial behaviour."

Residents will be asked what they think of the budget plans in a newsletter in November.

Patrols to keep 'Stoke safe will stay

EFFORTS to keep Basingstoke a safe town will continue, despite funding cuts from the county council.

Community safety patrols will continue even though Hampshire County Council

has decided to stop funding its accredited community safety service in December.

The cash was agreed at Basingstoke's cabinet meeting last Tuesday, October 28.

The council's deputy leader,

Ranil Jayawardena, said: "Residents tell us low levels of crime and antisocial behaviour are important in making our area such a great place to live."

"Our patrol officers work closely with communities and the police, carrying out high visibility patrols, deterring and combating antisocial behaviour."

"Since we introduced community safety patrol officers, we have seen crime and antisocial behaviours drop to a record low level."

"We want to ensure that crime levels stay down."

The county council and the borough council work together, with a team of 16 staff - six funded by the county council and 10 by the borough council - to keep the area safe.

It is the only Hampshire district to have this partnership.

However, although the county council say they will be discontinuing the service, the borough council has pledged to use £500,000 to keep a team of 12 patrolling the streets.

The council plans to spend £115,000 in its draft budget to replace CCTV cameras in the Top of the Town area.

Hospice children show their mettle against rugby pros

• Children from Naomi House with staff and London Irish players Tom Smallbone, Jamie Hagan and Topsy Ojo.

CHILDREN from a Hampshire children's hospice had the chance to meet sporting stars from London Irish rugby team last week.

Four children from Naomi House and Jacksplace Hospice, in Sutton Scotney, visited Hazelwood, the training ground of the Aviva Premiership rugby club.

First team players Jamie Hagan, Topsy Ojo and Tom Smallbone gave the children, one parent and staff from the hospice a tour of their new training ground and helped them take part in a rugby master class.

Huw Bromage, the deputy activities coordinator at Naomi House, said: "It was great to be invited to London Irish's training ground."

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

"The three players who took us around the training ground were so friendly."

"It was a fantastic, interactive day where we felt really welcome and the children from Naomi House got so much out of it."

Drop kicks, drills and scrumming demonstrations were also shown to the kids and staff on the day and they were taught the basics of how to pass and kick rugby balls.

Members from the squad donated two signed Naomi House and Jacksplace branded shirts to the charity for auction

and gave squad posters to the children.

Head of fundraising from Naomi House, Paul Morgan, said: "The children absolutely loved being part of the day and, from the charity's perspective it generated great awareness."

"We have to raise £7million every year to run the charity, less than 10 per cent of which we receive from government, so the support we receive from individuals, groups, businesses and trusts is crucial."

Naomi House and Jacksplace provides care to children and young people who have life-limiting conditions.

The hospice is currently undergoing a £4million revamp due to be finish in April 2015.

Candidate's Corner

Councillor Paul Harvey

Labour candidate for Basingstoke

Speaking out for the disabled

I'VE been talking to a lot of people across Basingstoke and I've had a lot of issues raised. I wanted to highlight in this column the growing issues faced by disabled people in our town.

Disabled people have told me about their experiences of seeing their benefits and support cut to such a level that it has placed them in crisis.

I've seen first-hand the impact of the bedroom tax on disabled people, who have nowhere to move to.

Of cases where their homes have been adapted to support their needs and/or they need a spare room for example for their carer, who may also be their partner, but the bedroom tax is so inflexible and punitive they are left unable to afford the home they are in anymore but have nowhere they can move to.

I've been told about disabled people forced to go to Reading to be interviewed about whether they are fit to work, and the way the interviews are conducted is a disgrace.

People have been told they

are fit to work only to present at the job centre here in town where the staff see their disability and it is obvious they cannot work, but their benefits are cut and sanctions applied because the Government deem they can work.

People appeal decisions but they are trapped not able to make ends meet.

I've joined Labour councillors in South Ham fighting for disabled friendly buses on the routes that access the hospital.

We've challenged Stagecoach's managing director calling on him to deliver disabled friendly buses.

All of this makes me angry at the way the Tory led Government has targeted disabled people. Angry at the way I've seen people's lives damaged. Angry at the suffering they've had to endure because of 'austerity' driven cuts.

We have got to do a lot better, and I'm listening to what disabled people in Basingstoke are telling me - it matters to me your voice is heard.

SDP PUBLIC CONSULTATION

Ministry
of Defence

The Ministry of Defence invites you to a public exhibition about its Submarine Dismantling Project

This is an opportunity to find out more about our proposals for storing radioactive waste from the Royal Navy's nuclear powered submarines after they have left active service. The Submarine Dismantling Project is our programme to deliver a safe, secure and environmentally responsible solution for dismantling 27 defuelled submarines. This involves recycling the bulk of the submarine and safely disposing of the remainder. The disposal process includes storing certain waste, known as intermediate level radioactive waste, for an interim period until it can be transferred to a Geological Disposal Facility some time after 2040.

The interim storage site for this radioactive waste will be chosen from a shortlist of five sites, all of which already carry out nuclear-related activities. These are Aldermaston and Burghfield in Berkshire, Capenhurst in Cheshire, Chapelcross in Dumfriesshire, and Sellafield in Cumbria. The site selection process is at an early stage and we are carrying out a public consultation to gain feedback to help us choose a site from the shortlist. The public consultation will run from 14 November 2014 until 20 February 2015. During this time we will be holding public exhibitions at each of the shortlisted sites.

The exhibitions for AWE Aldermaston and AWE Burghfield are as follows:

We will listen to the views of communities and local people before we select the interim storage site, and all the comments we receive will be considered as part of our analysis of the options.

We hope to welcome you at one of our exhibitions, but you don't have to attend in person to take part. All the information is also available via the internet or by post and we will accept responses to the consultation by post or by email.

Bus routes to be cut and elderly passes restricted

A TOTAL of five bus routes are to be axed in Basingstoke and Deane as part of budget cuts.

Stagecoach buses 21, 22, 23, 24, and the 55 from North Waltham to Basingstoke are to be stopped from April 2015, Hampshire Council ruled at a meeting last Monday, October 27.

Elderly people will also not be able to use their free bus passes before 9.30am.

The cuts are to save £1.5million towards county council savings of £100million by March 2015.

Stagecoach South managing director Andrew Dyer said: "Any cutback in bus service provision is very disappointing but of course we understand the financial pressures Hampshire and so many other areas face."

"We have great sympathy with those affected."

"Changes are outside of bus operators control and the whole thing is most regrettable but the county council have got tough decisions to make."

Executive member for transport at Hampshire County Council, Seán Woodward, said: "Bus use in Hampshire is nearing a 20-year high, and with the budget pressures we face, now is the time to look at public transport subsidy and consider how we make best use of our funding in this area."

to Woolton Hill while 23 and 24 serve Burghclere to Newbury, and 55 goes from North Waltham into Basingstoke via Dummer.

But the county council pledged to run an alternative school service for the 55, while the other four are to be included in the new 7/7a service, and some of it served by a taxi-share.

Basingstoke and Deane borough councillor Cathy Osselt, of Kingsclere, spoke out against the plans and called for Stagecoach to organise for the elderly to get concessions for before 9.30am.

She said: "From a borough perspective, despite central government cuts and continued reductions in funding, this Conservative administration has ensured all evening and Sunday services for Basingstoke town are fully supported and protected from the Hampshire County Council review, ensuring residents can move around Basingstoke."

Innovative business hub for Basingstoke approved

A PLAN to set up a business hub for new companies in Basingstoke was approved last week.

The Observer previously reported that councillors were due to approve a grant of £100,000 to set up a world class hub for newly emerging businesses.

Business support organisation, SETsquared – a collaboration between universities Bath, Bristol, Exeter, Southampton and Surrey – will be setting up the hub after the cabinet approved the proposals last Tuesday, October 28.

Council leader Clive Sanders said: "We need to create thousands of new jobs for our growing population."

"It is important to attract existing businesses but essential that we also grow our own."

"We want to see new companies setting up home in our area and growing here."

"An incubation hub brings together people who have a good idea with those who have resources and money and those who have expertise in pulling it all together."

"Basingstoke is already recognised as one of the best places in the country to set up a hi-tech company."

"This is a great chance to go into partnership with one of the world's top business development groups to bring exciting new opportunities to Basingstoke."

The hub will be based in Basing View and will provide a place for people to meet and network.

A total of 20 new high growth companies are expected to flourish as a result of the hub and £20m worth of investment is due to come in from outside companies by 2016.

Featuring corsets, killer heels and stockings aplenty, it sparkles from its elaborately-decorated headdresses to its immaculately varnished toes.

A combination of sultry vocals, breathtaking choreography, mischief, magic, frivolity and fun, the show combines musical and theatrical parody, cutting-edge variety, magic, comedy and dance with the art of striptease.

Closing date:

Wednesday, November 12, 2014

For over-18s only, An Evening of Burlesque is the slickest, wickedly wittiest, most delightfully choreographed cabaret spectacular of the year. Dress up and come to the cabaret.

Queen Mary's College wants you to take a look around...

CHOOSING where to go to after school is an important decision and students will want to ensure they are making the right choice. As a leading provider of sixth-form education, Queen Mary's College invites you to come and have a look around to see why so many students chose to continue their education at QMC and why there really is no reason to waste valuable time travelling to a college outside of the area.

Queen Mary's College has a reputation for achieving excellent results, with an overall A Level pass rate of 99%, almost half of which are graded A* - B. With excellent results year on year and a vibrant and engaging atmosphere, students find it impossible to resist participating in the opportunities open to them at QMC. Staff thoroughly enjoy working with young people and providing support to enable students to reach their full potential. With excellent teachers and great facilities students at QMC achieve great results, with many of them doing far better than they ever thought possible when they started College; National League Tables published this year demonstrate that QMC students achieve higher grades in relation to their individual starting points than from any other sixth form college in Hampshire. In addition to this, Statistics from The Higher Education Statistics Agency, also released in 2014, showed that a higher percentage of ex QMC students gained

first class or upper class degrees compared to their counterparts in other sectors including schools sixth-forms and private schools.

To see what it's like to be a student here, we invite you to come and look around the College on our Open Evening on 12th November from 6-9pm. We have a wide range of courses on offer, catering for all abilities, and will happily discuss

students' options to help them get where they want to go.

Puzzles

Sudoku

The objective is to fill a 9×9 grid with digits so that each column, each row, and each of the nine 3×3 sub-grids that compose the grid (also called "boxes", "blocks", "regions", or "sub-squares") contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

Busking to Basingstoke

ACOUSTIC folk duo Winter Mountain, who formed after a chance meeting across the pond on a train, will perform at The Forge this Saturday, November 8.

Joe Francis, originally from Cornwall, and Irishman Marty Smyth were once aspiring soloists, who busked on the streets of America and dreamed of making the big time.

By James Richings

jamesr@taylornewspapers.co.uk

After months of gigging as solo artists in the United States, the two then unintentionally met, taking the plunge to team up and write their own material together.

Joe explained: "I had flown into New York and had spent six weeks busking and playing around the bars of Greenwich village before heading west to Chicago by train.

"In the meantime, Marty had flown into San Francisco and was making his way east."

He continued: "We first met when we boarded a train in Union Station,

heading south to Memphis."

After forming in the latter half of 2009, the twosome released their debut album 'Winter Mountain' in 2013 and performed at the Greenbelt Festival in August this year.

The duo have also received plenty of airtime on BBC radio stations such as Radio 2 and 6 Music.

Joe added: "We are extremely proud of our debut album.

"It keeps popping up in the iTunes chart from time to time, and we're getting some great radio play from the likes of Janice Long, Dermot O'Leary and Clare Balding."

"We're planning a month long, national tour which will take us as north as Newcastle, and as far south as Penzance.

"Once the tour is over, Marty and I plan on relaxing with our loved ones over Christmas whilst working on some new material for the New Year."

Tickets will cost from £13.50, while over 65s, under 16s and full time students' tickets will cost £11.50.

The gig will start at 8pm at the Churchill Way theatre.

Going on a bear hunt

MICHAEL Rosen's 'We're Going on a Bear Hunt' will be at The Haymarket from tomorrow, November 7, until Sunday, November 9.

Presented by the Little Angel Theatre Company, which specialises in puppetry, the people of Basingstoke will see a family go on an expedition of a lifetime as they plan a bear hunt.

They will run down grassy banks, go through a cold river, struggle through the sticky mud, before stumbling into the dark forest when they come across a cave... but what will they find?

Little Angel Theatre Company's education manager Slavka Jovanovic spoke to the Observer ahead of tomorrow's first showing.

"We are really excited that 'We're Going on a Bear Hunt' is coming to the Haymarket," she said.

"It's such a fabulous production and we know the children of Basingstoke will absolutely love it!"

'We're Going on a Bear Hunt' was written by Rosen in 1989.

The book was a critical success, receiving positive reviews and winning the Nestlé Smarties Book Prize

By James Richings

jamesr@taylornewspapers.co.uk

in the year of its release.

Slavka added: "This is a very special story which engages people of all ages, especially since the puppetry is so skilful and engaging."

"It's wonderful to have a production that the under fives can enjoy whilst accompanied by older siblings and family members."

She continued: "Our audience members will experience a beautifully performed story, faithful to the Michael Rosen original storybook, brought to life by talented puppeteers, musicians and singers."

Tickets cost £12 and the show is suitable for anyone over the age of two.

Visit anvilarts.org.uk for more details or tickets.

Install a water softener and banish limescale!

Hard water is something we are all used to in the South, although most of us have got used to putting up with it, many do not realise that you can do something about it. It furs up our heating systems, causing breakdowns, makes it more expensive to heat our homes and damages our appliances.

The other problem with limescale is the constant cleaning of showerheads, shower screens, stainless steel sinks, the whole house can suffer where water is concerned. Limescale aggravates skin problems such as eczema and psoriasis.

With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale-related products, cut washing powder use by up to 75% and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt. The TwinTec S3 is different. It is small, requires no electricity and uses block

salt (like two house bricks) instead of heavy bags. Harvey Softeners has been manufacturing softeners in this area for more than 30 years. Kevin Goody (UK Water Softeners) is one of Harvey's top TwinTec dealers and was voted number two in the country last year.

Why is Kevin so successful?

He puts it down to extensive marketing, having a great plumber with over 30 years of experience installing water softeners, good customer satisfaction and recommendations.

Kevin has installed 4100 water softeners in homes in this area over the last eighteen years and arranges everything from initial survey to installation.

Get in touch

If you have an old water softener trade it in for something smaller and more efficient by calling Kevin Goody on: 01276 27924 without obligation. Email: kevingoody@uk-water-softeners.co.uk or visit our websites:

Kevin Goody also welcomes trade enquiries.

Top dealer award

Kevin Goody (UK Water Softeners) was voted the number 2 TwinTec dealer in the country at an awards event in Cyprus this month.

This is the fourth year in a row that he has achieved this accolade and over the last 19 years he has never dropped out of the top three dealers.

Kevin has more than 4,500 water softener customers locally spanning over the last 19 years, Kevin is seen obtaining his award from Harvey Bowden owner of Harvey Softeners Ltd and TwinTec dealer/manager Sarah Goody (Kevin's daughter). Kevin's son Andrew is also a TwinTec service engineer.

New customers come from recommendations from existing customers, newspaper adverts, the internet and leaflets. He has 14 Google reviews and 46 independent testimonials on his website.

Kevin also employs James who delivers 20 tons of block salt per month to his customers. He also employs a plumber Rob who installed more than 6,500 water softeners over the last 25 years and used to work for the manufacturers.

If you would like to have soft water in your home either look at the website www.uk-water-softeners.co.uk or ring Kevin Goody direct on 01276 27924

'Sterling effort' from MG

BACK in the sixties and seventies, MG was world-renown for making fun and affordable small sports cars, and the same ethos is being rekindled here by the re-launched brand - now under Chinese ownership.

There are big hopes for the MG3 hatch, boasting modern funky styling and a plethora of customisation options, the firm's new supermini has been targeted at Fiat 500 and MINI hatch buyers.

It certainly looks the part with a

By Philip Shoulder

sporty stance, curved A-pillars, high-mounted tail lamps and front LED running lights.

Also counting in its favour is a seriously low starting price: entry-level 'Time' trim cars roll in for under £8,500. 'Form' spec starts from £9,000, with range-topping 'Style' models still costing £9,999, although the £10,000 barrier is quickly broken once any one of five styling option packs are chosen - this £11,231 test car wearing 'Lady Grey' metallic paint, 'Weave exterior graphic', 'Tickled Pink' wing mirrors, 'Tech' part leather trim and 'Piano Black Silver' interior pack.

All cars get six airbags, stability control, emergency brake assist and Hill-hold control. The MG3 scored 3 stars in the Euro-NCAP safety tests.

The MG3's engine (the same on all trim designations) is rather gruff and vocal when under full load, however produces 105 bhp, which offers up a 0-62 mph time of 10.4 seconds and top speed of 108 mph - certainly acceptable figures in this class, but there's not a

huge amount of torque though and the power delivery of the engine means that you'll need to work the motor quite hard to extract the quoted figures.

Where it falls behind rivals more noticeably is on efficiency and emissions (48.7 mpg and 136g/km CO2). It also takes a little while to adjust to the clutch, as it's easy to over-rev the engine.

Other aspects of the MG3's driving dynamics are generally good. Steering is nicely weighted and progressive, the ride is pliant enough to be reasonably comfortable, yet also having good body control, while the gear change and brakes all pass muster.

Overall cabin refinement is actually pretty decent for a car of this size. Yes road noise is always audible, but never excessively and wind noise is noticeably absent on the motorway.

The MG3's cabin feels as modern and fresh as the exterior, although beneath the attractive design, the budget quality of the plastics which are hard and scratchy quickly becomes apparent.

But MG has certainly been generous with kit levels. Even mid-spec 'Form' models get a leather multifunction wheel, trip computer, air-conditioning, Bluetooth, DAB radio and electric rear

windows. This top spec style adds niceties such as 16-inch alloy wheels, rear parking sensors, cruise control and auto lights and wipers.

The car's upright roof design translates to an interior with plenty of headroom.

Legroom is good too, although the boot - despite being a practical square shape - is only average in size for this

class, but as you'd expect in a hatchback, the rear seats fold flat to considerably increase the car's load hauling capacity.

Verdict: Despite some rough edges, the MG3 is a sterling effort from the revived British brand, having enough style and ability to be a genuinely appealing proposition for prospective supermini buyers.

Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging

from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough times, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!

Cheers,
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job. I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!

These guys definitely know what they're talking about and I would recommend them to anyone!

Chris H

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Flames prove too hot to handle as Bison are beaten

BASINGSTOKE Bison remain second in the English Ice Hockey Premier League despite a weekend of mixed fortunes.

Doug Sheppard's side began with a 4-2 win over Bracknell Bees on Saturday but were beaten 6-3 by third-placed Guildford Flames on Sunday.

The Herd are now only two points ahead of Guildford in the table and six points behind league leaders Telford Tigers. Bison welcomed Bracknell

to the Basingstoke Arena for their first home league game in three meets last Saturday, and it looked as though they were going to be in store for a frustrating afternoon.

Lukas Smital gave the Bees a first period lead on the powerplay and their dogged display continued to deny Basingstoke.

Radek Hubacek was denied by Dean Skinns but Bison's frustration did not last much longer as Michael Wales' stunning finish brought the sides level heading into the final period.

Bison sensed the match was there for the taking and Joe Rand and Ciaran Long netted to give them a 3-1 lead and a seemingly controlling foothold.

James Galazzi reduced the deficit to one during a powerplay but Kurt Reynolds rapped things up to give Bison the win.

On Sunday, Bison never really recovered from a nightmare first period to go down to a 6-3 defeat at Guildford Flames.

Owen Fussey's double and David Longstaff's powerplay strike put Flames into a commanding 3-0 lead.

However, Bison were level as the match headed for the third period after Joe Greener scored a brace and Rand equalised.

But powerplay goals from Jez Lundin and David Savage ended their hopes of victory before

Andrew McKinney's empty netter sealed the result for the hosts.

The Herd return to action on Saturday to welcome Milton Keynes Lightning to the Basingstoke Arena for a 6.30pm face-off.

On Sunday, Sheppard's men make the trip to Manchester Phoenix.

Phillips strikes late to keep Whitchurch top of the league

DANNY Phillips' late winner kept Whitchurch United top of the Wessex Premier Division with a 1-0 victory over Brockenhurst last Saturday.

The win kept them a point ahead of second-placed Monmouth Poppies 5-0.

Phillips' late goal saw Whitchurch bounce back from a 1-0 loss at AFC Portchester on October 28, only their second league defeat of the season.

And on Saturday, they will be looking to preserve their unbeaten home record as they welcome Christchurch to Longmeadow Sports Club.

As the Observer went to print, Whitchurch were in action at Bemerton Heath Harlequins.

In the Wessex First Division, Tadley Calleva maintained their one-point lead over Amesbury Town with a 3-1 win over New Milton Town.

The Jamboys take on sixth-

placed Cowes Sports on Saturday at Westwood Park.

Meanwhile, Ross Cook and Lukas Burt were on the scoresheet as Hartley Wintney beat Frimley 2-1 last Saturday.

Wintney are now on a three-match winning run and are seventh in the Combined Counties Premier Division.

As the Observer went to print, Wintney faced Badshot Lea. See next week's paper for results.

'Stoke's bad run goes on with defeat at Hove

BASINGSTOKE Rugby lost for the fourth game in succession last Saturday as they were beaten 23-18 by fellow strugglers Hove.

The defeat leaves 'Stoke in the second relegation zone spot in London 1 South and two points adrift of Dover, who are a place above.

The bonus point for losing by seven points or less was the only consolation for Will Croker's side.

But the defeat to Hove saw Basingstoke move down a place in the league and the south coast

club edged three-points clear of the relegation zone as a result.

Basingstoke are without a game this weekend and head coach Will Croker has an additional week to prepare for the next encounter against Havant on November 15.

'Stoke last met local rivals Havant in the final of the Hampshire Cup in April - a result that Croker will be looking to repeat.

Havant are seventh in the league table with 20 points and were narrowly beaten 31-27 by Sutton & Epsom last Saturday.

Top four finish for golfer Rose

GOLFER Justin Rose finished just a shot behind winner Marcel Siem at the BMW Masters in Shanghai, China, last weekend.

Rose was left to rue level-par rounds of 72 on Thursday and Sunday, either side of a 65 and 64, to finish tied for fourth place.

The World No.6 finished level with Welshman Jamie Donaldson and took home €462,750 in prize money.

Rose is currently fifth in the Race To Dubai rankings.

Ladies make winning return

BASINGSTOKE Town Ladies returned to action last Sunday to beat Mansfield Road Ladies 2-1 in the Southern Region Women's Football League.

Lindsey Beverley scored a brace as Town picked up their third win of the season and are eighth in the table with nine points.

Basingstoke are in League Cup action this Saturday, November 9, and face fellow Southern Region Women's Football League side Woodley United.

On November 16, Town face Andover New Street in the second round of the Hampshire Women's Challenge Cup.

Hamilton ends strong year

RACING driver Archie Hamilton finished the GT Open season with two consistent finishes at the Circuit de Barcelona in Catalunya last weekend.

The Selleslagh Racing Team driver and teammate Isaac Tutumlu finished ninth in race one before a brilliant fifth-place finish in the second.

Hamilton finished eighth in the driver standings with 122 points, 90 behind championship winners Daniel Zampieri and Roman Mavlanov.

The Hampshire driver enjoyed a strong end to the year, picking up his first victory in Belgium and finishing on the podium at Monza, Italy, in September.

DRAGONS SHOOTING FOR SECOND ROUND

BASINGSTOKE Town are looking to make the second round of the FA Cup for only the third time in their history when they face Vanarama Conference club AFC Telford United on Saturday.

Town, who are top of the Vanarama Conference South, have made it through three rounds of qualifying so far and earned £24,500 in prize money.

Victory over Telford would see Basingstoke make the second round for the first time in eight years – a run that ended with a replay defeat at Aldershot Town.

That tie, and the first round win over Chesterfield in 2006, stick in the memory of then player and now manager Jason Bristow.

And he says a win at home against Telford could be the start of one of the biggest moments in the club's history.

Bristow added: "It could potentially be one of the biggest, but if we lose it is another first round that we have got to.

"It is a good achievement but that is as far as it would have gone.

"There are only a handful of times we have got to the second round and we have got a fantastic chance of drawing a very good club.

"It is a big game for us but the result will determine just how big it is."

Telford are currently bottom of

By **Jack Johnson**

jack@taylornewspapers.co.uk

the Vanarama Conference and were taken to a fourth qualifying round replay by First Division North side Spennymoor Town in the last round.

However, Bristow is refusing to look into Telford's league position and is expecting a very tough tie.

"They have got some very good individuals who work well together," he added.

"It is going to be very tough for us and we are going to have to be at our very best to win the game."

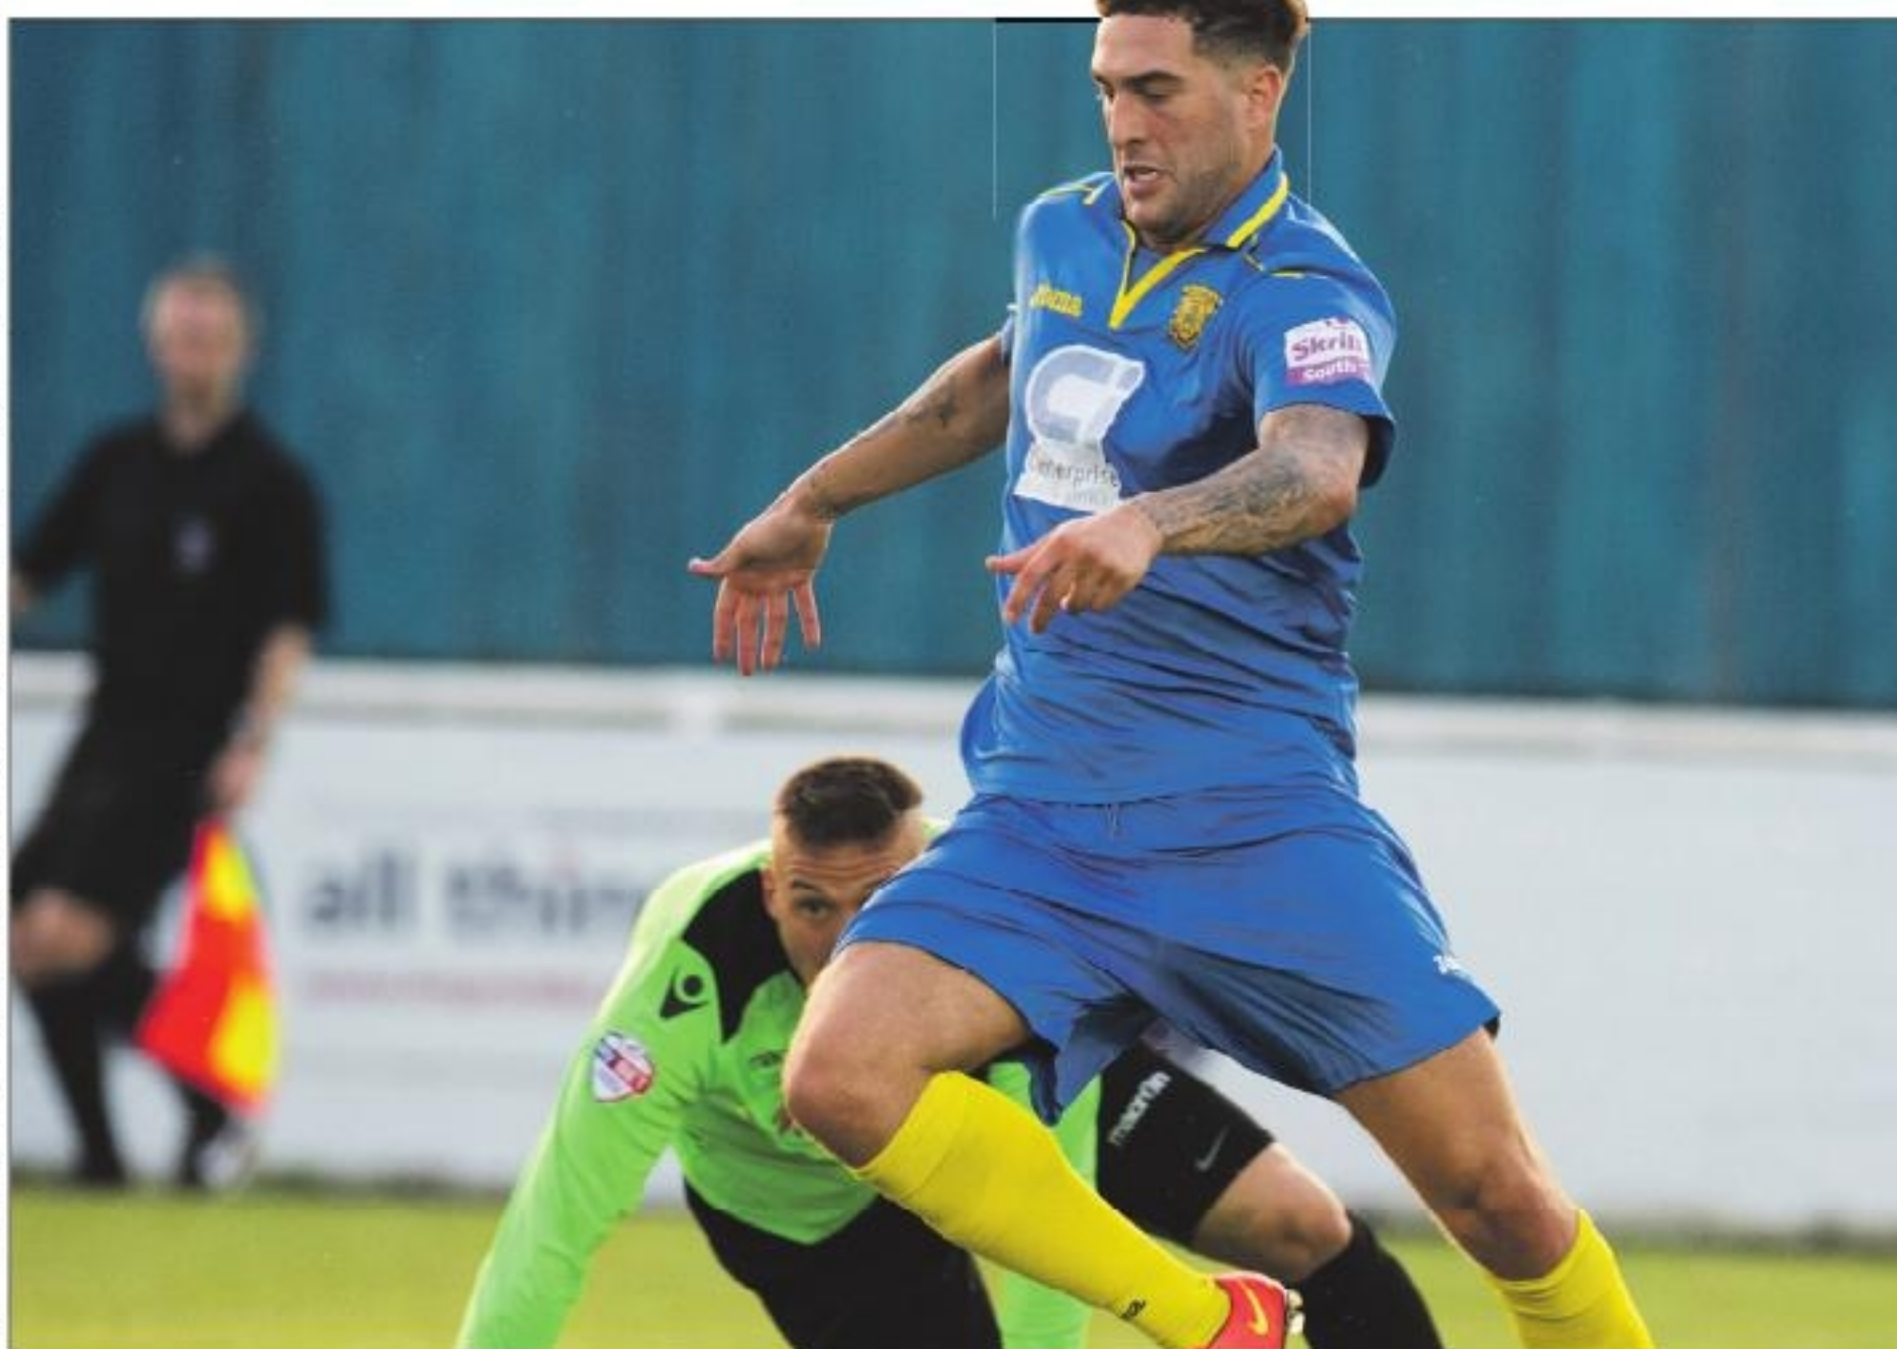

Basingstoke's eight-match unbeaten run in all competitions came to an end in a 2-1 defeat at home to Chelmsford City last Saturday.

And Bristow will have to wait on the fitness of strikers Liam Enver-Marum (knee) and Lloyd Macklin (hamstring) ahead of this weekend.

Enver-Marum, who has netted eight goals this season, missed last Saturday's game through injury, while Macklin, who has scored two goals in as many games, limped off in the dying moments against Chelmsford.

Manny Williams will serve the fourth of his six-match ban.

Kick-off is 3pm on Saturday at the Soccer AM Stadium.

Advanced Digital Imaging

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
 Do you have a family history of Glaucoma?
 Are you short sighted?
 Do you have diabetes?
 Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.
